

Cafe Team

PENINSULA COVENANT CHURCH

DESCRIPTION:

Serving with the cafe aspect of our ministry is such a fun and easy way for leaders to connect with more students. All teens love snacks, candy, and coffee and this has been a great way to engage with a wide variety of students. This role has two areas which you can serve in. One being the snack counter where you sell candy, snacks, and drinks. The other is making coffee drinks on the espresso machine. The goals and responsibilities listed below are to help keep both staff and leaders accountable to the ministry.

GOALS:

TO KEEP ACCOUNTABILITY AND THE STANDARD OF BIG GROUP GAMES CONSISTENT, HERE ARE THE EXPECTATIONS OF THE ROLE

- **Quality:** The drinks we serve and snacks we sell are not going to be of the best quality since we are not a coffee shop; but can we sell things that students will enjoy enough to come back? We want students to enjoy their experience at each environment to the point that they would return and bring a guest with them. Ask these questions: Did the students enjoy the coffee or snacks given to them? Was your energy and attitude welcoming to students and made them feel cared for? How can we better serve our students with this area?
- **Conversations:** Both snacks and coffee offer easy on ramps to having conversations with students about where they are and how they're doing. Each drink being made takes long enough for a conversation, each snack can be shared with a leader as they speak truth into a student's life, and the time waiting will always give opportunities for conversations. Ask this: did you have a conversation with a student today about how they are doing? Were there more opportunities you could have taken for conversations? Was this area used to create environment for other leaders to conversations as well?
